Requirements

- **All levels!** Seeking 1st to 4th year apprentices to Journeypersons, including Journeypersons with Project Management Skills.
- Knowledge of basic plumbing related tools.
- Prior plumbing experience in the Home Building industry is preferred.
- High School Diploma, or equivalent.
- Valid driver's licence and access to reliable vehicle.
- Proof of COVID-19 vaccination.
- Satisfactory verification of criminal record check.
- Physically able to kneel and crouch as well as lift, carry, push or pull objects weighing up to 50 lbs.

Job Overview

Reporting to the Supervisor, as the **Plumbers and Plumbing Service Technician** you will provide plumbing related assistance to the Journeyperson Plumbers throughout all stages of the building process. As an Apprentice, you will provide assistance to the Journeyperson Plumber. As a Journeyperson, you will mentor, develop and providing guidance to Plumber Apprentices. Project management opportunities for those with drive!

Your day-to-day responsibilities will include:

- Participating in plumbing activities at all stages of building lifecycle and ensuring all tasks are completed accurately and efficiently.
- Ensuring all materials, equipment and tools are accounted for when leaving a work site and are returned to plumbing shop at the end of each shift.
- Ensuring shop supplies are stocked and the shop area is well maintained, organized and clean.
- Assisting in determining and preparing materials, equipment and tools required for plumbing activities on a daily basis.
- Collaborating with site foreman and other trades to coordinate site work activities.
- Ensuring plumbing activities including installation of fixtures is completed according to drawings. Testing and inspecting all plumbing to ensure installations are accurate and operational.
- Staying current on industry and plumbing codes to improve the productivity and quality of the work.
- Working safely and complying with Star's Safety Program and relevant safety regulations.

Working Conditions

Primarily works on site during regular business hours. Work has exposure to noise from equipment/machinery and occupational hazards as well as dealing with inclement weather and dust.

About Us

Star Mechanical is an independent, wholly owned division of Qualico. The company serves the Edmonton and surrounding area with premium plumbing and heating installation, repair and replacement services. To learn more, click [here](#).

Star is committed to the health, safety and wellness of its employees and the community. By continuing our commitment to maintaining a safe and healthy workplace, Star has implemented a COVID-19 Vaccination Policy that requires all employees in Canada to be fully vaccinated. Proof of vaccination, in the form of a provincially recognized document, must be submitted as a condition of employment. Our policy allows for accommodation in cases of valid medical or religious exemptions. Information related to proof of vaccination or exemption will be kept confidential.

Candidates being considered will be contacted. We thank you for your interest. Join our [Talent Community](#) to stay up to date on job opportunities and to find out why we have the best reasons to come to work every day.
